Shalom College Senior Notebook (Laptop) Program

Students entering Year 10 through to Year 12 at Shalom College will require a Notebook or Macbook for their senior studies. Parents have the option of providing a BYO device or participate in the Shalom College Notebook (Laptop) Leasing Program.

Notebook (Laptop) Leasing Program

This program is designed to assist parents and students to obtain a Notebook device that is compatible with the Shalom network at a very competitive price. The advantages also include provision of all learning area and operational software, operating systems updates and a dedicated IT Servicedesk Team that manages all aspects of the Notebook software and hardware. Students will also have access to this IT Servicedesk Team to report any issues (software or hardware) with the device. The device has been selected as it is 'ruggedised' with a three-year warranty and three-part Accidental Damage Protection (ADP) per calendar year from HP.

Each year, our Year 10 students who opt into the program receive a laptop device that they use for their studies through to the end of Year 12. At the end of Year 12, the laptop becomes the property of the student. Students who leave the College prior to Year 12 will be given the option to purchase the laptop for the remainder of the leasing cost. The College IT Unit will also advise what software the laptop is legally able to be supplied with as the device will have to be wiped of all College-owned software.

BYO Program

The College network also supports a BYO device but be aware that every student will be expected to have a device that meets our minimum operating standards as per the attached. In addition, any damages, software purchases, hard and software issues and warranty will not be the responsibility of the College. Limited support as per the device warranty user agreement will be offered.

The commitment to these programs is for the duration of the student's senior schooling at the College. For our laptop Leasing Program, once a student has opted in, they cannot opt out for the duration of the program.

**Please complete and return the notification below to the College office at the time of
CONFIRMATION OF ENROLMENT**

College Laptop Leasing Program Scheme

We do / do not require (please circle) wish to enter the College laptop leasing program for the duration of the student's senior schooling at Shalom College.

Name of Student _____ Date: _____

Name of Parent _____ Parent Signature _____

If you require further information, please contact the IT Department via the College office on 07 4155 8111

SHALOM COLLEGE LAPTOP LEASING PROGRAM 2023 / SHALOM COLLEGE BYO DEVICE

2023 Leasing Notebook Package

- HP Probook x360 11 EE G6 - Notebook/Tablet
- Intel Core I5-10210Y CPU (10th Gen Intel)
- 8GB Ram
- 256GB Solid State Hard Drive (SSD)
- Wireless AC 2x2
- 11.6" Touch Screen (1366 x 768) with Corning Gorilla Glass 3 protection
- 3-Cell Long life battery
- 3 Year Business warranty
- 3 part/calendar year ADP with HP
- Windows 10 Education Edition
- Miracast Support
- Ruggedised design and reinforced chassis with co-moulded rubber trim to withstand bumps, bangs and minor spills.
- Each ADP Claim has a HP excess of \$60.50
- Notebook Case & Notebook Power Bank
- Notebook Skin
- Access of all college software packages and any new software purchased/released throughout the year
- Access to spare Notebooks in case of hardware faults and Notebook damage
- Notebook will be trusted by Shalom network to have direct access to shared drives and printers
- Software and Hardware all managed by Shalom IT Unit
- We have found the Notebook to be resilient to software updates, has good performance and a damage resistant record that is superior to others on the market. With the addition of HP's ADP, any accidental damage including screen breakages have been covered for the HP excess instead of large prices often in excess of \$300 to \$500. In addition, the device benefits from a solid-state hard-drive for increased performance and a HP power bank for additional charge during the day.

BYO Notebook Expectations

- Device Choice – Macbook or Notebook
- Operating system
- OSX – Minimum 10.15 (Catalina)
- Windows – 8 or 10 (Windows 10 Education Edition recommended)
- Screen size – 11.6" – 15"
- Minimum Battery life – 8 hours
- Screen Mirror Support
- Macbook – Airplay support
- Notebook – Miracast support (Supported by Windows 10, Notebook hardware needs to also support wireless display)
- A strong supportive case
- Required Software – Please check the below URL regarding required software for 2023. Please note, this is valid as of 23/07/2020
- URL - https://sites.google.com/rok.catholic.edu.au/rok-scbg-it/ict-information/college_applications
- Limited Shalom IT support and network access
