UNIQ You

Shalom is excited to be participating in an exciting new service that gives girls the opportunity to be part of a revolutionary initiative that will demystify industries where women are under-represented in many sectors - tech, transport, electricity and gas, construction, mining, aviation, water and sewage, agriculture, manufacturing, military and defence.

UNIQ You gives young women access to honest insights from women who were once just like them. Our partnership with UNIQ You allows Year 9 to 12 girls, to have a 30-minute, one-on-one video call with female advisers from all around Australia.

Connecting girls to women in real world environments will create a space for frank and open conversations, helping them understand what a range of roles and careers look like. This will encourage girls to explore their options, challenge their own assumptions and discover a world rich with possibilities.

With upcoming SET Planning for Year 10's there is no better time to book an appointment for [tailored career advice from women in the know](#), see Mrs O'Donnell in the Pathways Office.
