UNIQ You

We know that real-world job titles can be illusive and down-right confusing at times when you don't yet work in a specific industry but you can dig a little deeper and discover the UNIQ You Advisors who have a wealth of wider knowledge and experience to offer advice for beyond what they do as their 'job'.

[UNIQ You](#) is an exciting new service that gives girls the opportunity to be part of a revolutionary initiative that will demystify industries where women are under-represented in many sectors - tech, transport, electricity and gas, construction, mining, aviation, water and sewage, agriculture, manufacturing, military and defence.

UNIQ You gives young women access to honest insights from women who were once just like them. Our partnership with UNIQ You allows Year 9 to 12 girls, to have a 30-minute, one-on-one video call with female advisers from all around Australia.

There is no better time to book an appointment to [see what these skilled women can offer advice on](#). See Mrs O'Donnell in the Pathways Office to find out more.
