RE: School Route Adjustments

Dear Parents/Guardians

Due to the outbreak of Coronavirus and subsequent alterations to schools' operations, Duffy's City Buses has slightly adjusted some school service timetables by reducing some service duplications. These adjustments will commence from 20-4-2020.

Importantly, please be reassured that students needing to catch services will still have services available to them. In some cases, there may be some pick up and drop off time alterations.

Please take note of the attached School Services Map Links and associated timetable links. However, if you require any detailed information concerning these adjustments, please contact our office via email at info@duffysbuses.com.au

Yours faithfully
