### **INTRANET**

Due to the upgrade on our Student Information System (Tass), this will mean our intranet for parents will become redundant. All information for Parents will be relocated to the College website or Parent Lounge. We will be updating our College website with a direct link to Parent Lounge soon.

### **DIRECT CREDITS/PAYMENT OF FEES**

For parents who direct deposit to the College's bank account, future bank transactions will need to reflect your new Parent Code in the description of the funds transfer. This will allow us to identify the source of the payment and receipt it correctly.

### **DIRECT DEBIT**

Direct Debits will be unaffected by the update. CEO and the College have amended your records appropriately to reflect your new Parent Code for processing future direct debits.
